

Welcome.

Thank you for getting the Room Snapshot. Here's what's inside your kit and how to get started.

WHAT'S INSIDE

01-system-prompt.txt

The instructions you'll paste into Claude. This is the brain of your planner.

02-setup-guide.pdf

Open this first. A step-by-step walkthrough with everything you need to know.

QUICK START

01. Open 02-setup-guide.pdf and follow the four steps.
02. Setup takes about 3 minutes.
03. Answer three questions — your Room Snapshot appears in seconds.
